

86 Multimedia Learning

Separated Presentation

A As the air in this updraft cools, water vapor condenses into water droplets and forms a cloud.

Integrated Presentation

B

Figure 5.3 Example frames from (A) separated and (B) integrated computer-based multimedia presentation.

Spatial contiguity principle (source: [http://onlinelearning2007.wikispaces.com/...](http://onlinelearning2007.wikispaces.com/))
